Conference Ordering Terms and Conditions

When you order books for your event, you must provide us with the following **before** we will ship your order:

- 1) a check for the total amount of the books plus shipping and handling, or give us your credit card information (if a credit card is given, **half** of the total listed on the invoice **will be charged to your credit card before the books are shipped to you**),
- 2) a pamphlet or website address with the conference or event information,
- 3) the original Conference Ordering Terms and Conditions form signed and mailed to:

Hale Publishing, L.P.
1712 N. Forest
Amarillo, TX 79106

Once we have received all of the above items, we will ship your order to you via UPS. Please allow ten (10) business days for delivery.

After the conference, if you have unsold books that are in **perfect condition**, you may ship them back to us. We will **only accept** returned books that are in **perfect condition**. You will be **charged** for any books that we receive that are damaged. If you return more books than allotted by your discount, you will **lose the discounted price** and be charged the corrected price.

Pack the returned books **well** so that they do not shift in the box and receive damage. **Insure** your return shipment in case they are damaged in transit. The insurance will reimburse **you** for the cost of any damaged books.

Along with the returned books, include a new check or instructions to bill your credit card for the remaining amount of shipping and the cost of books that were sold. We will return your original check to you once we have received the new check and your account has a **zero balance**.

If we have not received the unsold books and a new check **10 (ten) business days** after the close of the conference or event, we will **cash** your original check or **bill** your credit card for the **remaining balance** listed on your invoice.

Books available for discount (all other books are at regular price):

Hale Publishing's Conference Ordering Terms and Conditions
